Based on your knowledge about the phases of the roundabout method reflect the two questions:

Phase	How can you integrate different actors into this Phase?
1. Engagement (interest, initial situation contracting)	
2. Assessment (situation, self-assessment and awareness)	
3. Planning (based on needs analysis; goals, solutions, orientation and planning, agreements)	
4. Action (activities, implementation)	
5. Results (achieve, record and document results)	
6. Evaluation (reflection and evaluation)	

How is the roundabout method relevant to your practice?
